1. A complication of a cord or string not easily to be disentangled.
He found that reason's self now reasons found
To fasten *knotts*, which fancy first had bound. *Sidney.*
As the fair vestal to the fountain came,
Let none be startled at a vestal's name,
Tir'd with the walk, she laid her down to rest;
And to the winds expos'd her glowing breast,
To take the freshness of the morning air,
And gather'd in a *knott* her flowing hair. *Addison.*

2. Any figure of which the lines frequently intersect each other.
Garden *knotts*, the frets of houses, and all equal figures, please; whereas unequal figures are but deformities. *Bacon.*
Our sea-wall'd garden, the whole land,
Is full of weeds, her fairest flowers choked up,
Her *knotts* disorder'd. *Shakespeare's Rich. II.*

It fed flow'rs worthy of paradise, which not nice art
In beds and curious *knotts*, but nature boon,
Pour'd forth profuse on hill and dale, and plain. *Milton.*
Their quarters are contriv'd into elegant *knotts*, adorned with the most beautiful flowers. *Morre.*

Henry in *knotts* involving Emma's name,
Had half-express'd, and half-conceal'd his flame
Upon this tree; and as the tender mark
Grew with the year, and widen'd with the bark,
Venus had heard the virgin's soft address,
That, as the wound, the passion might increase. *Prior.*

3. Any bond of association or union.
Confirm that amity
With nuptial *knott*, if thou vouchsafe to grant
That virtuous lady Bona. *Shakespeare's Henry VI.*

Not to *know* of things remote, but *know*
That which before us lies in daily life,
Is the prime wisdom. *Milton.*

In the other world there is no consideration that will sting our consciences more cruelly than this, that we did wickedly, when we *knew* to have done better; and chose to make ourselves miserable, when we understood the way to have been happy.

They might understand those excellencies which they blindly valued, so as not to be farther imposed upon by bad pieces, and to *know* when nature was well imitated by the most able masters. *Dryden's Dufresnoy.*

3. To be informed.
The prince and Mr. Pains will put on two of our jerkins and aprons, and sir John must not *know* of it. *Shakespeare's Henry IV.*

There is but one mineral body, that we *know* of, heavier than common quicksilver. *Boyle.*

4. To *Know for*. To have knowledge of. A colloquial expression.
He said the water itself was a good healthy water; but for the party that own'd it, he might have more diseases than he *knew for*. *Shakespeare's Henry IV.*

5. To *Know of*. In *Shakespeare*, is to take cognisance of; to examine.
Fair Hermia, question your desires;
Know of your youth, examine well your blood,
Whether, if you yield not to your father's choice,
You can endure the livery of a nun,
For aye to be in shady cloister mew'd.
Knowable. *adj.* [from *know*.] Cognoscible; possible to be discovered or understood. *Shakespeare.*

These are resolved into a confessed ignorance, and I shall

KNU

not pursue them to their old asylum; and yet it may be, there is more *knowable* in these than in less acknowledged mysteries. *Glauco. Steff.*

'Tis plain, that under the law of works is comprehended also the law of nature, *knowable* by reason, as well as the law given by Moses. *Locke.*

These two arguments are the voices of nature, the unanimous suffrages of all real beings and substances created, that are naturally *knowable* without revelation. *Bentley.*

KNOWER. *n. f.* [from *know*.] One who has skill or knowledge.
If we look on a vegetable as made of earth, we must have the true theory of the nature of that element, or we miserably fail of our scientific aspirations; and while we can only say 'tis cold and dry, we are pitiful *knowers*. *Glauco.*

I know the respect and reverence which in this address I ought to appear in before you, who are a general *knower* of mankind and poetry. *South.*

KNOWING. *adj.* [from *know*.]
1. Skilful; well instructed; remote from ignorance.
